Wood Laminate/Vinyl Flooring

- If you're thinking of enhancing your home, why not look at our wood laminate and vinyl options. The stylish modern wood laminate & Vinyl Flooring is fast becoming the number 1 choice of floors for many. It does not harbour dust, thus assisting in eliminating allergies and elements like asthma. It gives a warm cosy feeling, It's easy to clean & maintain, and looks great. With our partners we can offer you a wide variety of flooring solutions that will meet your requirements. Once again! GREAT product, GREAT quality, GREAT aftersales service.

New/ Revamp Kitchens

- Whether or not you are renovating or building your home, need a new Kitchen or revamp a kitchen and or Bic's. We have the skill and knowledge to offer not only a free quotation, but free advice & design artwork too. There is no job too big or too small for us! If it seems like there is no way, WE WILL make a way!

Don't let your decision to change leave you feeling anxious and unsure! You're at the right place! Your needs & requirements are our priority; consider yourself taken care of already, because we will take care of you through your new venture.

Under Floor Heating

- Our trained heating specialists will ensure that correct floor heating solutions are provided to suit your lifestyle. The heaters are discreetly hidden and unobtrusive. They are designed to run continuously & in normal conditions will NOT overheat due to built-in thermo protection. We use control & energy efficient thermostat controllers. Why not enjoy summer in your home during the winter months.
